

# Pay Dearly

## Johnnyswim

I hope you're not  
Hoping I  
Fall to pieces I'm not losing sleep  
I'm not begging please  
You won't find me weeping Oh can't you see  
The seeds you've sown are ripe for reaping  
You picked a fight, but you got a war  
Like a fire needs a flood I want you to pay dearly  
For what you stole from me  
Say that you won't  
I'll burn down the door  
I want it paid to me  
It's that easy, oh Woah You lit the spark  
Now you've been marked  
No use in trying  
It's clear to face you've wounded grace  
Stop your crying  
Oh Oh can't you see  
It's time you pay the price for buying  
A fight you know you can't finish  
It ain't over till it's done I want you to pay dearly  
For what you stole from me  
Say that you won't  
I'll burn down the door  
I want it paid to me I want to look in your eyes  
See them looking back at mine  
All that and more  
To settle the score  
I want it paid to me  
It's that easy I said it once  
And now I'll say it more  
When I get you I won't let you go. I want you to pay dearly  
For what you stole from me  
Say that you won't  
I'll burn down the door  
I'll get it paid to me I want to look in your eyes  
See them looking back at mine  
All that and more  
To settle the score

I want it paid to me

It's that easyOooh

Woah

It's that easy
