Boum-boum

Enigma

My heart goes BBB
Every time I think of you
Heart's going BBB
Lost control what shall I do?
'Cause I want to be your lover
Till the end of our lives
I could never miss again
These loving eyes
My heart goes BBB
Every time I think of you

I feel that BBB
No control of what I'll do
Simplicity, complexity, oh what a tragedy
Reality, insanity, strange normality
Incredible, untouchable, but just visual
And I want you, just you but natural
My heart goes BBB
When any mind is touching you
Inside that BB
Only light inside my gloom
