Ripchord

Population

pull the ripchord
the ship has lost its sail
your mama's got a new man
your daddy always fails
and you're eating again
at them
'cause nobody loves youand even fancy things
have finally lost their charm
wine and diamond rings
they never get you anymore
you're sleeping again
alone
'cause nobody loves youoooh
they should have seen you
should have known you
should have known what it was like
to be youso come on kid
look at what you did
I don't know if you meant it
but you did yourself in
and I was even having a good day
when I'd found out we lost youoooh
she said it was in the singing and the strumming
oh man I even saw it coming
