Erika Jayne

(Verse 1)

My kitties like a python  
Tick tickin' like a time bomb  
Limited edition  
Gotta buy it no try ons. I purr just like a lion  
Knock em out like Tyson  
Everybody knows  
That I'm a million dollar diamond(BRIDGE)

I'm reckless

Offensive

I destroy your defenses  
My guest list is priceless  
And yes I run a tight ship  
Bentleys and benzes  
Through cash colored lenses  
Just dollars and cents'  
Ch-Ching(CHORUS)

It's expensive to be me (eh, eh, eh)

Looking this good don't come for free (uh bitch what?!)

That's just who I be

It's expensive to be me(Verse 2) You like these Georgia peaches

Your magic can't compete with

I change the game

Now say my name

Oh bitch, it's nice to meet ya I take shit off the runway

My money origami

I'm haute couture

On a world tour

From Tokyo to Bombay(BRIDGE)

I'm reckless

Offensive

I destroy your defenses  
My guest list is priceless  
And yes I run a tight ship  
Bentleys and benzes  
Through cash colored lenses  
Just dollars and cents'  
Ch-Ching(CHORUS)

It's expensive to be me (eh, eh, eh)

Looking this good don't come for free (eh, eh, eh)  
It's expensive to be me (eh, eh, eh)  
Looking this good don't come for free (uh bitch what?!)
