The Last Time I Felt Like This

Martin Nievera

Hello, I don't even know your name
But I'm hopin' all the same
This is more than just a simple hello?Hello, do I smile and look away
Yes, I think I'd smile and stay to see
Where this might go`Cause the last time I felt like this
I was falling in love
Falling and feeling
I'd never fall in love again
Yes the last time I felt like this
Was long before I knew
What I'm feeling now with youHello, I can't wait 'til we're alone
Somewhere quite on your own
So that we could fall the rest of the way
I know that before the night is through
I'll be talking love to you
Meaning every word I say
