TONIGHT I AM FREE
YES I`M FREE TO BE
THE MAN YOU WANNA SEEChorus
Try steal, or even kill,
The love we have or feel,
You`ll be thrilledMy kill you try to steal
My love you always deal
Let`s just chillVerse
I`m Chasing the line,
I Guess I`ll be fine
I will always fly
Never will I sighOf course I will burn,
If I ever return,
The path I won`t learn,
But that`s my concernBR.
ALL OF THIS WAS WHEN I EXISTED IN
