

# Goin' Back

## Toomorrow

I want to go back to those sweet and simple days  
Goin' back to that cheerful little place  
Goin' back, back through time  
Back through space, goin' back Do you remember when we had such fun  
Playing all those happy games in the sun  
We didn't have too much to think about  
All our problems had a way of working out I want to go back to those sweet and simple days  
Goin' back to that cheerful little place  
Goin' back, back through time  
Back through space, goin' back Skipping through the park and holding hands  
We were building castles in the sand  
Everything was rosy way back then  
Oh, come on, let's make it happen again
