

# One More Reason (Julian Beeston remix)

## L.A. Guns

Angel mercy, tears like rain  
Hurt so good, can't feel no pain  
Paint it black, drives me insane  
So far gone I'm not the same  
You give me one more reason  
One more reason to die  
You'd be blood with no regrets  
English words, they won't forget  
Crimes of passion, cigarettes  
Move by night he won't suspect  
That you give me one more reason  
One more reason to die  
And I ask myself the same question  
Every night  
What makes me restless  
What makes me fight  
Car ahead eliminate  
Smoking gun  
That sealed their fate  
Flesh and blood to instigate  
85 dollars  
Ain't she great  
You give me one more reason  
One more reason to die
