Raagy One (Waiting for Tomorrow)

Kula Shaker

Dear God Hope you got the letter
and I pray you can make it better down here
I don't mean a big reduction in the price of beer
But all the people that you made in your image
See them starving on their feet
'Cos they don't get enough to eat.
From God I can't believe in youDear God sorry to disturb you but I feel
That I should be heard loud and clear
We all need a big reduction an amount of tears
And all the people that you made in your image
See them fighting in the street
Cos they can't make opinions meet
About God I can't believe in youDid you make di sease and the diamond blue
Did you make mankind after we made you
and the devil tooDear God don't know if you've noticed
but your name is on a lot of quotes in this book
And us crazy humans wrote it you should take a look
And all the people that you made in your image
Still believing that junk is true
Well I know it ain't so
Do you Dear God
I can't believe in I don't believe inI won't believe in heaven and Hell
No saints no sinners and Devil as well
Pearly gates no thorny crown
You're always letting us humans down
The wars you bring the babes you drown
Those lost at sea and never foundAnd it's the same the whole world round
The hurt I see helps you compound
The Father Son and Holy Ghost
Is just somebody's unholy hoax
And if you're up there you'd perceive
That my heart's here upon my sleeve
If there's one thing I don't believe inI won't believe in heaven and Hell
No saints no sinners and Devil as well
Pearly gates no thorny crown
You're always letting us humans down
The wars you bring the babes you drown
Those lost at sea and never foundAnd it's the same the whole world round
The hurt I see helps you compound

The Father Son and Holy Ghost
Is just somebody's unholy hoax
And if you're up there you'd perceive
That my heart's here upon my sleeve
If there's one thing I don't believe in
It's you Dear God
