

# Devil's Calling

## Parkway Drive

We are the pushers, are you awake?  
I heard the devil, he was calling your name  
Your soul is empty, your lives are is cheap  
You're selling murder while you're praying for peace I don't think you want it, I want you to see  
The time these children wanted something to say  
You, you can't see it, you, you can't talk it  
When you stand for nothing you'll fall for anything We're fighting fire with gasoline  
We'll leave the bridges burning for all to see  
We're fighting fire with gasoline  
We'll leave the bridges burning  
This is a warning  
The devil's calling And now he finds you, down on your knees  
Pray forgiveness while you're trading lives away  
Your dream was hijacked, gone without a trace  
We're not destroyed and we won't forget your face I can feel the fire, I can see the pain  
We started choking on your hypocrisy  
You, you can't see it, you, it's not working  
When you stand for nothing you'll fall for anything We're fighting fire with gasoline  
We'll leave the bridges burning for all to see  
We're fighting fire with gasoline  
We'll leave the bridges burning  
This is a warning  
The devil's calling We're fighting fire with gasoline  
We'll leave the bridges burning  
This is a warning We're fighting fire with gasoline  
We'll leave the bridges burning for all to see (this is a warning)  
We're fighting fire with gasoline  
We'll leave the bridges burning  
This is a warning  
The devil's calling
