Anastasia

Seven Seraphim

Blood red sky on a desert road
Gotta make my way down to Mexico
What I did I know that it was wrong
The fire in my heart it will never die
Everything I've known will be left behind
No turning back, forever gone tonight
Oh my love Anastasia, Anastasia
This may be our last goodbye
You can't save me
I am fading
Blood is on my hands tonight
All I need is a miracle
Lord they got me running now forever more
They'll hunt me down until the end of time
Of my woman, now I've got to go
Never love another how I loved you so

I'm so afraid to leave this all behind
Oh my love Anastasia, Anastasia
This may be our last goodbye
You can't save me
I am fading
Blood is on my hands tonight
Oh my love Anastasia, Anastasia
This may be our last goodbye
You can't save me
I am fading
Blood is on my hands tonight
Anastasia, Anastasia
For the one I took a life
You can't save me
I am fading
Blood is on my hands tonight
