Intro

Ol' Dirty Bastard

I never saw so many people tonight I mean y'all all got it crowded up in here and that's good I'm glad that y'all givin' it up for him, y'all givin' it up for him That's good y'all make me want to cry or somethin'Alright ladies and gentleman, tonight is a special night For one thing let me introduce myself my name is Mr. Russell Jones Excuse me for that one I had to let that one low And tonight, you're going to see that you never seen beforeSomethin' that, that nobody in the history of rap ever set they self to do This fuckin' guy, that I speak to you about, is somethin' crazy He's somethin' insane, he's the greatest performer every since What's the guys name? Ol' DirtyJames Brown, he's bad and he's a cool guy And you'll really need him, I mean need to really get to know him Ladies and gentleman, from all houses, to all towns From the moons of Pluto, back down to Earth Ladies and gentleman, one more time, give it up for The Old Dirty Doggy, I mean, the Ol' Dirty Bastard, I love that guyYes, how y'all doin' out there? I wanted y'all to know that tonight is a special night 'Cause I'm happy to be living, you know A nigga tried to shoot me down and shitYou know and I don't know man it just feel good to be here man You know what I'm savin'? And I wanna let all y'all know I love you man, I love all y'all You know, but, but I really came here tonightFor one reason, just 'cause I don't need to cry I don't need to cry, dub you can play that shit man, play it man I'm tired of this shit, remember the time I told y'all When I got burnt, gonorrheaWell this bitch, there's a new bitch goddamn it Oh, bitch burnt me again with gonorrhea So I didn't get burnt one time I got burnt actually two times When you really look at itYeah, I love the girl but I had to cut the bitch off Yeah, the bitch died, I killed the bitch She suffered a long pain bitchy ass go bitch had to go I, I knew the bitch for ten minutes of her lifeBut the pussy was good, yes the pussy was good I just want you to know girl That I dedicated, this song, well this song really was written By Blowfly, and I want all y'all to hear this shit It's just a poem that I writ for you girlThe first time, ever you sucked my dick Thank you, thank you I felt, the earth tremble, under my balls Somethin' shot out of me real fast, first time Nah, I'm just kidding witch'all

How y'all feelin', listen to the album 'cuz it's bangin'We have only thirty-five chambers, there is no thirty-six I know that but I want to create a new chamber Oh, and what would that be?
