

Dancing to a Symphony

[Haley Dreis](#)

Hand to hand, spinning a web
of triplets and melodies
Waltzing in circles going
no where to find peace

Bring me back to the days of Mozart
simplicity still reigned
Now we fall in a million pieces
fulfillment unattained

Pre-Chorus:
Counting desperately
Waiting for the cue

Chorus:
And we're dancing to a symphony
Searching for our part
And we're dancing to a symphony
A cadence in my heart

Debussy, tell me a story
Coax me with your song
We're the baton and you are the music
I will play along

Beethoven breathes his anger and sadness
Frustration in our hands
Crescendo-ing to final moment
Pounding at the stand

[Pre-Chorus]
[Chorus]

Bridge:
Dance with me (4x)
[Chorus]
