

Knives Out (Live At Canal+ Studios, Paris)

Radiohead

I want you to know
He's not coming back
Look into my mouth
I'm not coming back So knives out
Cut him up
Don't look down
Shove it in your mouth If you'd been a dog
They would have drowned you at birth
Look into my mouth
It's the only way you'll know I'm telling the truth So knives out
Cut him up
Squash his head
Put him in the pot I want you to know
He's not coming back
His blood is frozen
Still there is no point letting it go to waste So knives out
Catch the mouse
Squash his head
Put him in the pot
