

# Resurrection Shuffle

## Ashton, Gardner & Dyke

Twist yourself further  
From the middle of the floor  
Throw a little kiss to  
The woman next door  
Step on the gas  
Put your hand in the air  
Make a V-sign and you  
Throw back your hair  
Think about nothing  
Now you're nice and high  
You're advocating love  
But you don't know why  
Now you're getting vibrations  
All down to your feet  
That's the brow beating  
Heavy leather  
Resurrection beat  
Put your hand on your hips  
Now you let your backbone slip  
Put out your tongue  
Put your hand in the air  
Make a V-sign  
You just don't care  
Now you feel free  
You gotta lose control  
All God's children  
Got a little bit of soul  
You don't have to think  
You don't have to move a muscle  
To do the brow beating  
Heavy leather  
Resurrection shuffle  
All right  
Oh, here we go again  
Oh, that's it  
You're doing it, all right  
You think about nothing  
Now you're nice and high  
You're advocating love  
But you don't know why  
You're getting vibrations  
All down to your feet  
That's the brow beating  
Heavy leather  
Resurrection beat  
Here we go  
Put your hand on your hip  
You gotta let your

Backbone slipPut out your tongue  
Put your hand in the air  
Make a V-sign like  
You just don't careNow you feel free  
You gotta lose control  
All God's children  
Got some soulYou don't have to think  
You don't have to move a muscle  
To do the brow beating  
Heavy leather  
Resurrection shuffleYou're doing all right  
This is gonna last you  
For years and years  
And it's all rightYou're doing all right  
Don't get uptight  
Uh huh, yeah  
That sounds all right, mmhmm  
Do do do do...
