Don't Let Your Deal Go Down

Dave Alvin

I've been all around this whole wide world even to sailed the seven seas
Any old place I hang my head is home sweet home to meDon't let your deal go down mama said don't let your deal go down
Don't let your deal go down mama told till your last dollar is goneI met a girl with pretty golden curls she loved me every way but loose
She took my heart broke it all apart I went wild as the gooseDon't let your deal go down...If you see me at your front door with the 38 in my hand
Tell all the world I killed myself you were lovin' another man
Don't let your deal go down...
