

I Love the Life I Live

Willie Nelson

I see you watchin' me just like a hawk
I don't mind the way you talk
But if you touch me somethings got to give
I live the life I love and I love the life I live
My diamond ring and my money too
Tomorrow night they could belong to you
The girl move me at their will
I live the life I love and I love the life I live [Chorus:]
I may lay a hundred on a bet this time
Tomorrow night can't cover your dime
Next week I could be over the hill
I'm just tryin' to tell you people how I feel
You see me rockin' as I pass you by
Don't talk about me cause I could be high
Just forgive me if you will
I live the life I love and I love the life I live [Chorus]
You see me rockin' as I pass you by
Don't talk about me cause I could be high
Just forgive me if you will
I live the life I love and I love the life I live
