

I Won't See You Tonight Part 1

Avenged Sevenfold

Cry alone, I've gone away
No more nights, no more pain
I've gone alone, took all my strength
I've made the change,
I won't see you tonightSorrow, sank deep inside my blood
All the ones around me
I cared for and lovedIt's building up inside of me
A place so dark, so cold, I had to set me free
Don't mourn for me,
You're not the one to place the blame
As bottles call my name I won't see you tonightSorrow sank deep inside my blood
All the ones around me
I cared for and most of all I loved
But I can't see myself that way
Please don't forget me or cry while I'm awayCry alone, I've gone away
No more nights, no more pain
I've gone alone, took all my strength
But I've made the change,
I won't see you tonightSo far away, I'm gone
Please don't follow me tonight
And while I'm gone everything will be alrightNo more breath inside
Essence left my heart tonight
No more breath inside
Essence left my heart tonight
(Oh oh oh oh oh eh eh oh oh)
