Let your pussy talk, Let me get that Garfield, Garfield, GarfieldThem leather seats in my car wheeler  
Leather seats in my car, so real  
Diamonds in the Skate P, on my stone grip  
All my diamonds on my diamonds, yeah they so real  
Use the seat on the car still  
On the motherfucking car seat nigga  
Girls jumping with that Garfield  
Let that pussy talk, let that pussy talk  
Let that pussy talk to a nigga  
Let that pussy talk, let that pussy talk  
If you snitching, I don't talk to that Garfield  
I don't wanna, I don't wanna talk  
Taking shots with all ya friends [?]  
Taking all these Bombay shots  
After this I'ma take ya down  
Let your pussy talk  
In the trap, with my dreads out up in the club  
Girl your ass so fat, when I fuck in the club  
I'ma get some money, throw some money up in the club  
Throw some love, when you see a thug, up in the club  
Worried about nothing, no, my niggas packing  
In the club, know I got that becky  
Shit, she got that package  
Riding in her whip, roof on like magic  
She owe me plastic, she owe me nasty  
She owe me action, ya owe me action  
We them boys, who cone joints in the bathroom  
My whip is faster, my bitch is badder  
I hear them talking, but they don't matter  
I eat her good, got table manners  
I get my cake up and when I wake up  
Fuck up your make up like hold up, hold up, hold up
