

Alive

Black Eyed Peas

I got so much love
For you darlin' and I,
I wanna let you know how I feel And its true that I love you
And it's true your the only one and I do,
I adore you
And its true girl
You make me feel alive-i-i-ive
You make me feel alive-i-i-ive
You make me feel alive-i-i-ive
You make me feel alive-i-i-i-ive You say, you say, you say
That I'm the only one
You say that I'm your number one
Now your gone and I feel numb
Tell me where do we go wrong
You are my best friend and boyfriend
Now its seems like you're my worst friend
I gotta do soul searching
Without you I'm a whole different person
I ain't acting like I used to
I don't feel loved like I used to
It was your love I was used to
Why did I have to lose
Your love your love your love
Your love is what it was
That had me feeling buzzed
You are my true love And its true that I love you
And it's true your the only one and I do,
I adore you
And its true girl
You make me feel alive-i-i-ive
You make me feel alive-i-i-ive
You make me feel alive-i-i-ive
You make me feel alive-i-i-i-ive Hey girl your the only one
Supposed to be my number one
Now your gone I feel so numb
Tell me how do we go wrong
First friends then we became best-friend
You used to be my girlfriend
Now your my worst friend

Yeah I gotta do a lil' soul searching
Without you I'm a whole different person
I don't even act like I used to
I don't even feel loved like I used to
I guess its your love that I used to
And I feel bad that I had to lose you
I get so many things that I wanna (sa-sa-sa-sa)
I guess this mean that I'm missing you
Sorry for the things that I did to you
I'm so lost without you And its true that I love you
And it's true your the only one and I do,
I adore you
And its true girl
You make me feel alive-i-i-ive
You make me feel alive-i-i-ive
You make me feel alive-i-i-ive
