

In My Time of Dying

Frazey Ford

Won't you meet me Jesus, meet me.
Won't you meet me in the middle of the Earth,
and if these wings should fail me lord
won't you meet me with another pair.well well well
won't you meet me Jesus ah
won't you meet me Jesus ah
won't you meet me Jesus ah
Jesus gonna make up my dying bedEver since I've been acquainted with Jesus
We haven't been a minute apart
he placed the seasons in my ear
threw religion in my heartwell well well
I can ring up my Jesus ah
I can ring up my Jesus ah
I can ring up my Jesus
Jesus gonna make up my dying bed
