

Surrendering

Candlebox

And I'm in the need of someone to confide
Surrendering 'cause I'm not as strong as you'd think
Uncommonly this desire that holds our eyes
We need to dig deep, you see that I can't but reason our cover up
Better than most
Yes, I cover up better than most
I'm surrendering
And I can't believe that you were ever on my side
But who holds the keys of who I am and why this life?
And I wanna be free, this indecision from all sides
You need to dig deep 'cause you see that I can't but reason our cover up
Better than most
Yes, I cover up better than most
I'm surrendering
All this blame that we lay on our brothers, our sisters
Our lovers, our faults, they're ours to hold
So I need to dig deep, you see that I can't but reason
'Cause somebody please give me something to hold
Something to know why I'm feeling alone
Beginning to think that the older we get
The more we think the less we know
I'm surrendering
I surrender as I can't but reason our cover up
Better than most
Yes, I cover up better than most
I'm surrendering
Yes, I cover up better than most
Yes, I cover up better than most
I'm surrendering
And I'm in the need of someone to confide
Surrendering 'cause I'm not as strong as you'd think
