

Godfather

Shyne

Uh huh, uh huh, Brooklyn, Vietnam
What you, uh, yeah, uh, come on Oh no, big Shyne Po
Back in the motherfuckin' heezy for sheezy
Gimme a tech that don't jam
(Bang bang)
I'm tryin' to jucks some more grams and work this whole thing My minds poisoned, corrupted and diseased
360 Ki's, money make the world spin, I make your chest smoke
Have your mother singing hymms
Particles of your brains up on your tims Kiss you before I twist you
170 miles, headed for disaster faster
I put it down right bustin' off these rounds like
Real niggaz is kings you ain't rockin' that crown right Harder more PK watches
Topless, bitches in cars
Only meals could heal my scars Niggaz wanna rhyme like shine like me
They supposed to
Niggaz wanna bust their guns like me
They supposed to
Niggaz wanna grind like crime like me
They supposed to
Niggaz wanna mash like me, dash like me Niggaz wanna rhyme like shine like me
They supposed to
Niggaz wanna bust their guns like me
They supposed to
Niggaz wanna grind like crime like me
They supposed to
Niggaz wanna mash like me, dash like me Allegations got me pacin'
Grand jury wouldn't understand my fury for fast cars and jewelry
I could give a fuck if there's a Heaven for a G
This is Heaven for me go to trial never plea Do a bullet and come home to the throne
I don't rhyme, I just talk about this life that's mine
I've seen niggaz die, in front of my eyes doin' my filth
Niggaz is expiring like milk Different strokes for different folks
Just give me, different coke in different boats
Black Aristotle Onassis, all I see is crack addicts and automatics
You rap niggaz is faggots, y'all cannot be serious I'm in coupes with Gucci interiors
Airin' out your areas
Tech nines, two in the flex and shit
Lookin' at myself like yo I'm the best in this Niggaz wanna rhyme like shine like me
They supposed to

Niggaz wanna bust their guns like me
They supposed to
Niggaz wanna grind like crime like me
They supposed to
Niggaz wanna mash like me, dash like meNiggaz wanna rhyme like shine like me
They supposed to
Niggaz wanna bust their guns like me
They supposed to
Niggaz wanna grind like crime like me
They supposed to
Niggaz wanna mash like me, dash like meSometimes I really wonder what's it all about?
How many bitches can I fuck until I get out
How many Ki's can I cut, guns can I bust
Wigs can I push, spots can I juckEvery single one, 'cuz I'm a fuckin' savage
Till I'm cremated, most hated, self made, blood type G
All these young hustlers wanna bubble like me
They supposed to, sippin' on syrup, until I perishPickin' bitches off the run-way
Look forward to, gun-play
Go to sleep with one eye shut
Wake up and do the same shitI ain't never gonna change bitch
That's the cycle I don't wanna be like Michael
More like Darrell Porter, gettin' shipments at the border, uh uh
Yeah, it's a wrappity wrapNiggaz wanna rhyme like shine like me
They supposed to
Niggaz wanna bust their guns like me
They supposed to
Niggaz wanna grind like crime like me
They supposed to
Niggaz wanna mash like me, dash like meNiggaz wanna rhyme like shine like me
They supposed to
Niggaz wanna bust their guns like me
They supposed to
Niggaz wanna grind like crime like me
They supposed to
Niggaz wanna mash like me, dash like meNiggaz wanna rhyme like shine like me
They supposed to
Niggaz wanna bust their guns like me
They supposed to
Niggaz wanna grind like crime like me
They supposed to
Niggaz wanna mash like me, dash like meNiggaz wanna rhyme like shine like me
They supposed to
Niggaz wanna bust their guns like me
They supposed to
Niggaz wanna grind like crime like me

They supposed to
Niggaz wanna mash like me, dash like
