

# Milk Is My Sugar

## Skunk Anansie

Milk is my sugar  
Sweet groveling  
Thy shall convert me  
My favorite sin Meat makes it snappy  
Snap back and thigh  
Good work for pillow  
I'm so alive Milk is my sugar  
It makes me happy  
Milk is my sugar  
Sweet, sweet, sweet, sweet Watch me be naughty  
So cruel for fun  
Slick in the picture  
Wait for the one Not, not for your finger  
No, slide ride too kind 'cause  
Milk is my sugar  
Sweet never mind Milk is my sugar  
It makes me happy  
Milk is my sugar  
Sweet, sweet, sweet, sweet  
Sweet, sweet, sweet, sweet  
Sweet, sweet, sweet, sweet  
Sweet, sweet, sweet, sweet Milk is my sugar  
Milk is my sugar  
Milk is my sugar  
Milk is my sugar Sweet, sweet, sweet, sweet  
Sweet, sweet, sweet, sweet  
Sweet, sweet, sweet, sweet
