Walk Away

Josh Heinrichs

Josh Heinrichs "Walk Away"

They say they love but I feel another way They say they need me but thats not what their friends say What is it that I'm doing wrong Dont you wanna see me dont you wanna hear my song baby I just cant even understand, all this time I thought I was your man baby I just cant even understand, all this time I thought I was your man lord it gets so hard, just to keep you entertained yes it gets so hard, to have the strength, to get on that plane and walk away So Im back on the road again away from where I wanna be See this life on the road it aint for me I wanna be home to see my babies grow to see my family and the ones I love but ya know I hope ya understand, god I hope ya feel hope ya see my plan nothing but love, god I hope ya see my plan nothing but love lord it gets so hard, just to keep you entertained yes it gets so hard, to have the strength, to get on that plane and walk away
