Bounce (feat. Kelis)

Calvin Harris

Bounce
Bounce
Bounce
BounceI can't believe that every day and every night (Bounce)
It's getting better with you out of my life (Bounce)
It's like I flicked a switch and now I'm feeling good (Bounce)
No way to stop it, now you wish that you could (Bounce)
When the weekend comes I know I'll feel alive (Bounce)
You will be the last thing on my mind (Bounce)
No regrets, do you know what that means?Well, it's hot, it's loud, it's wild
We bounce to this track
And I don't care what anybody thinks about that
Hands to the sky, and throw your head backI can love again tonight
We bounce to this track
And I don't care what anybody thinks about that
Hands to the sky, and throw your head backBounce
Bounce
BounceWell, it's hot, it's loud, it's wild
We bounce to this track
And I don't care what anybody thinks about that
I don't care what anybody thinks about that
