Call Me Irresponsible

Bobby Darin

Call me irresponsible
Call me unreliable
Throw in undependable tooDo my foolish alibis bore you?
Well I'm not too clever
I just adore youCall me unpredictable
Tell me I'm impractical
Rainbows I'm inclined to pursueCall me irresponsible
Yes, I'm unreliable
But it's undeniably true
That I'm irresponsibly mad for youGone on and call me unpredictable
Tell me that, I'm impractical
Rainbows I'm inclined to pursueYou go 'head, call me irresponsible
I admit I'm unreliable
But it is undeniably true
That I'm irresponsibly mad for you
