

Flirtin' With Disaster

[Molly Hatchet](#)

I'm travellin' down the road and I'm flirtin with disaster
I've got my pedal to the floor and my life is running faster
I'm outta money, outta hope and it looks like self destruction
Well how much more can we take with all of this corruption

We're flirtin with disaster, y'all know what I mean
And the way we run our lives it makes no sense to me
I don't know about yourself, or what you wanna be, yeah
When we gamble with our time we choose our destiny

I'm travellin' down that lonesome road.
Feel like i'm draggin' a heavy load.
Yet I've tried to turn my head away,
Feel about the same most every day
You know what I'm talkin about man

Speeding down the fast lane and honey we're playin' from town to town
The boys and I been burnin' it up and honey can't seem to slow it down
I got the pedal to the floor and our lives are runnin' faster,
We got our sights set straight ahead but i ain't sure what we're after

We're flirtin' with disaster, y'all damn sure know what i mean.
You know the way we run our lives it makes no sense to me
I don't know about yourself, or what you plan to be, yeah
When we gamble with our time we choose our destiny

Yeah! We're travellin' down that lonesome road.
Feel like I'm draggin' a heavy load.
Though i try to turn my head away,
I'm flirtin' with disaster every day.
And you are too baby, Ha ha ha ha ha
It ain't for everybody, Oh come on man

Guitar Solo

We're flirtin' with disaster man, y'all know what I mean
You know the way we run our lives it makes no sense to me
I don't know about yourself or what you plan to be

When we gamble with our time we choose our destiny

Yeah! We're travellin' down this lonesome road.

Feel like I'm draggin' a heavy load.

Though i try to turn my head away, Bop mm bop bop yeah

We're flirtin' with disaster every day.
