

I Wish My Mom Would Marry Santa Claus

Gene Autry

I wish my mom would marry Santa Claus
Then he's be in the family
I'd like him round, you see
To help mommy decorate the Christmas tree
I wish my mom would marry Santa Claus Claus
Then I know he would always stay
And we could play with the toys I would get on Christmas day
All the year I know he's very busy
Shining Rudolph's nose up bright
Maybe I could help keep it shiny
For the very important night
Oh I wish my mom would marry Santa Claus
Then he's stay in the family
And it would always be like Christmas Day for me
Oh I wish my mom would marry Santa Claus
Then he's stay in the family
And it would always be like Christmas Day for me
