

What Do You Got?

Bon Jovi

Everybody wants somethin'
Just a little more
Makin' a livin'
And what we're livin' for
A rich man or a poor man
A pawn or a king
You can live on the street, you can rule the whole world
But it don't mean one damn thing
What do you got if you ain't got love?
Whatever you got, it just ain't enough
You're walkin' a road but you're goin' nowhere
You're tryin' to find your way home, but there's no one there
Who do you hold in the dark of night?
You wanna give up but it's worth the fight
You can have all the things
That you've been dreamin' of
If you ain't got someone
You're afraid to lose
Everybody needs just one
Someone to tell them the truth
Maybe I'm a dreamer
But I still believe
I believe in hope, I believe that change
Can get us off our knees
What do you got if you ain't got love?
Whatever you got, it just ain't enough
You're walkin' a road but you're goin' nowhere
You're tryin' to find your way home, but there's no one there
Who do you hold in the dark of night?

You wanna give up but it's worth the fight
You can have all the things
That you've been dreamin' of
If you ain't got love
It's all just keepin' score
If you ain't got love
What the hell we doin' it for?
I don't wanna have to talk about it
How many songs you gotta sing about it?

How long you gonna live without it?
Why does some somewhere have to doubt it?
Someday we'll figure it out
What do you got if you ain't got love?
Whatever you got, it just ain't enough
You're walkin' a road but you're goin' nowhere
You're tryin' to find your way home, but there's no one there
Who do you hold in the dark of night?
You wanna give up but it's worth the fight
You can have all the things
That you've been dreamin' of
If you ain't got love
It's all just keepin' score
If you ain't got love
What the hell we doin' it for?
Whoa, what do you got if you ain't got love?
Whoa, what do you got if you ain't got love?
Whoa, what do you got if you ain't got love?
