# Car Wash Hair (The Bee's Chasing Me)

## Mercury Rev

Wanna ask but I just stare
Can I run my hands through your car wash hair
Wanna ask but I just stare
Can I run my hands through your car wash hairDrillin' a hole with my soul in the sand
Diggin' for gold in the hole in the bed
Catchin' a ride from a band
I sat in the back of the van
They tried to make me understand
'Cause if I'm not in a band, don't mean I'm square
And if I am, well then I don't care
Wanna ask but I just stare
Can I run my hands through your car wash hairNumber two has got me confused
Hope I'll always be numbers one and three
Number two has got me confused
Hope I'll always be numbers one and threeWanna ask but I just stare
Can I run my hands through your car wash hair
Wanna ask but I just stare
Can I run my hands through your car wash hairYou said, hell, well I don't care
If you run your hands through my car wash hair
Wanna ask but I just stare
Can I run my hands through your car wash hair
You said, hell, well I don't care
If you run your hands through my car wash hair
Wanna ask but I just stare
Can I run my hands through your car wash hair
