

360 Turn

Beres Hammond

Strange

Woman is strange

Cho caan believe dis

How come you tell me that you love me then you run away

And if you love me why you listening to hearsay

Cause in the night you pack you things and mek you getaway

And if you neva love me shoud a tell me right away

You neva hi me when me rapsa up de next day

Feel like a soccer when dem naah gi no air play

Like a piece a furniture you lef me pon de lay-a-way

You got me roun' de block me waan fi know wha you a sehMi naah go deal wid it your way

Wid all de latin music a play

Di dinin' and di violin and le le

Mi nah go siddun and listen

Cause I know you gonna have to make a 360 turn

All that standing on your own

Make sure no bridge nah burn

Either you like it or leave itMight no know nuttin much bout biology

Set speed when it come to trigonometry

Right yah now and dis between de whole a we

Yes me know enough fi know when gal a swing me

And me no really waan fi put you under pressure

Mi haf fi sure seh you runnin' days are over

An you come stan up long side me like soldier

And give up dat wid some better behaviorMi naah go deal wid it your way

Wid all de latin music a play

Di winin' and di dinin an you le le

Mi nah go siddun and listen

If mi know you a go missin

make a 360 turn

or stay on your own

Make sure yuh bridge nah burn

Either you like it or leave itAh ha ha yes

ah ha ah ha yes

(Rep)How come you tell me that you love me then you run away

And if you love me why you listening to hearsay

Cause in the night you pack you things and mek you getaway

And if you neva love me shoud a tell me right away

Cause me vibes neva irie me de nex day

Feel like a sample dem naah gi no air play

Dam

Ribly bom skeng

(Rep)

You come back again

(Rep)Mi naah go deal wid it your way

Wid all de latin music a play
winin' and di dinin an you play le

Mi nah go siddun and listen

If mi know you a go missin

make a 360 turn

hold your debt on your own

Make sure yuh bridge nah burn

Either you like it or leave itAh ha ah ha yes

ah ha ah ha yes

(Rep)Mi naah go deal wid it your way

Wid all de latin music a play
winin' and di dinin an you le le

Mi nah go siddun and listen

If mi know you a go missin

make a 360 turn

hold your debt on your own
