

# Is This The World We Created

## Queen

Just look at all those hungry mouths we have to feed  
Take a look at all the suffering we breed  
So many lonely faces scattered all around  
Searching for what they need Is this the world we created?  
What did we do it for  
Is this the world we invaded  
Against the law  
So it seems in the end  
Is this what we're all living for today  
The world that we created You know that everyday a helpless child is born  
Who needs some loving care inside a happy home  
Somewhere a wealthy man is sitting on his throne  
Waiting for life to go by Wooh, is this the world we created?  
We made it all our own  
Is this the world we devastated, right to the bone  
If there's a God in the sky looking down  
What can he think of what we've done  
To the world that he created
