My Shadow

Stellar Corpses

It's time to make a start
To get to know your heart
Time to show your face
Time to take your place
In every speck of dust
In every universe
When you feel most alone
You will not be alone
Just shine a light on me, shine a light
I'll shine a light on you, shine a light
And you will see my shadow on every wall
And you will see my footprint on every floor
It only takes a spark to tear the world apart
These tiny little things that make it all begin
Just shine a light on me, shine a light

I'll shine a light on you, shine a light
And you will see my shadow on every wall
And you'll see my reflection in your free fall
Ooh, oh, ooh, ooh, oh, ooh
Just shine a light on me, shine a light
I'll shine a light on you, shine a light
'Cause when your back's against the wall
That's when you show no fear at all
And when you're running out of time
That's when you hitch your star to mine
We won't be leaving by the same road that we came by
We won't be leaving by the same road that we came by
We won't be leaving by the same road that we came by
We won't be leaving by the same road that we came by
Oh, ooh, oh, ooh, oh, ooh, oh, ooh
