I carry my guitar
Like a load of lumber
Looking for where to go
The bar closed for the night
But the sun's still up
My blood still tickles me

I carry my guitar
Like a load of lumber
Looking for where to play
A midnight jam
Just up the road
Oh I got ta go

I carry my guitar
Like a load of lumber
Looking for where to sing
My shadow and her pals
All heard about it
And Goddamn, they got ta go

I carry my guitar
Like a load of lumber

BREAK

I carry my guitar
Like a load of lumber

Looking for your voice to share

Singing that sweet jam
Of our insides
Beer sippers
Tea totelers
Sunâ€™s still up
Nightâ€™s gone by
We all made it what it was

I carry my guitar
Like a load of lumber
Looking for where to sleep
Yer song is in my heart
But my head is getting weary
So I guess Iâ€™ll be on my way

I carry my guitar
Like a load of lumber
