Changed The Way You Kissed Me (Mike Candys Remix)

Example

I've never been afraid of the highest heights
Or afraid of flying now
I've never been afraid of the wildest fights
Not afraid of dying

But now I want off this ride 'cause you're scaring me and I don't like where we're going I need a new fun fair 'cause you're scaring me and I don't like where we're goingAnd now you're gonna miss

me

I know you're gonna miss me

I guarantee you'll miss me 'cause you changed the way you kiss me'Cause you changed the way you kiss meWe used to be so so soulful

Al Green on the background vocals

T-Total we're on the next high

We get by with a so called soul mate made for each other chit chat

But that dried up wise up to the cutting edge facts

Now I'm chilling on my Jack Jones

Looking for a way back home but I can't get backOur love feels wrong please wind it back

Our love feels wrong can't hide the cracks

I guarantee you'll miss me 'cause you changed the way you kiss meI've never been afraid of the highest heights

Or afraid of flying now

I've never been afraid of the wildest fights

Not afraid of dying

I need a new fun fair 'cause you're scaring me and I don't like where we're going
I guarantee you'll miss me 'cause you changed the way you kiss me'Cause you changed the way you kiss
meOur love feels wrong please wind it back

Our love feels wrong can't hide the cracks

I guarantee you'll miss me 'cause you changed the way you kiss me I guarantee you'll miss me 'cause you changed the way you kiss me
