Halleluhwah (2011 Remastered)

Can

Did everybody see this snowman
Standing in the wind alone?
When mother did that, pick his head
And you're feeling sleepy at.It's my recording, stitch remain,
But I record in his head
Knowing that too big mouth,
Oh, ice can flow away, no one knows.Oh, shadow coming out,
While I call the story, storey that.
Oh, sample all about,
Spinning that all the time.My powers strike me out.
Did I slip this thing on their life?
And my God buying out,
Oh, it gets me inside.
Searching for my brother, yes, I am,
Searching for my brother, yes, I am,
Searching for my brother, yes, I am,
Searching for my brother, yes, I am.Did you see the day?
Every fever may I search in.
We can find now harder steam,
Change his kind, fly away.Oh,
They're all alone there, let me in.
Oh, she asked me the first day
For my name.
So she wasn't going where I was singing.
Mushroom head, oh yeah, paperhouse,
I went day, first the game.It wasn't a game after this.
Oh, shadow coming out,
While I call the story, storey that.
Oh, it's all about,
Spinning that all the time.Shoot all the proof and lust and shout and it's all, just you sow,
Shoot all the proof and lust and shout and it's all, just you sow,
Shoot all the proof and lust and shout and it's all, just you sow,
Shoot all the proof and lust and shout and it's all, just you sow.Searching for my brother,
Searching for my brother, let him, let him, let him up,
Searching for my brother, let him, let him, let him up,
Searching for my brother, let him, let him, let him up,
Searching for my brother, let him, let him, let him up.Lalalalalalalalalala, let him up,
Lalalalalalalalalala, let him up,
Lalalalalalalalalala, let him up,

Lalalalalalalalalala, let him up.Ash you
And the hills are blue,
And she's so.
Got my fever, why do I go?
Got my fever, why do I go?
Got your soles into your shoes.
Got my fever, why do I go?
Got my fever, why do I go?Lalalalalalalalalala, let him up,
Lalalalalalalalalala, let him up,
Lalalalalalalalalala, let him up,
Lalalalalalalalalala, let him up,
Lalalalalalalalalala, let him up,
Lalalalalalalalalala, let him up,
Lalalalalalalalalala, let him up,
Lalalalalalalalalala, let him up,
Lalalalalalalalalala, let him up,
Lalalalalalalalalala, let him up,
Lalalalalalalalalala, let him up,
Lalalalalalalalalala, let him up.
