

# Lost My Better Half

## Black Label Society

Lay to rest  
Bury the dead  
Tomorrow seems to turn so fast  
Alone in the boiler meltin' me down  
Ain't the first, won't be the last So many people all at once  
Who I once was has died  
Never feel the ills of breakin' down  
Calloused & petrified Slipped inside a hole  
Don't know where it's gonna lead  
Lost in a world all alone & I'm  
Lookin' for me  
I gotta get it back Lay waste to a friend  
Killing all the past  
Pray that all is forgotten  
Lost my better half All that was  
All so fucked & trashed  
Pray that all is forgotten  
Lord I feel I've lost my better half Wondering just how I got here  
Shattered to the core  
Lookin' to go back in time  
Moving forward nevermore On the verge of a breakdown  
Run down, bludgeoned, and beat  
All the things that you once held  
Lying dead before your feet
