

How Would I Know

Kathy Troccoli

If it wasn't for the times that I was down
If it wasn't for the times that I was bound
 For all the times that I wondered
 How I would ever make it through
 All of the times that I couldn't see my way
And I had to turn to YouHow would I know You could deliver
 How would I know You could set free
 If there had never been a battle
 How would I know the victory
 How would I know You could be faithful
 To meet all of my needs
 Lord I appreciate the hard times
Otherwise how would I knowI remember all the times I had to cry
 And at the time all I could do was wonder why
 Why would a God so kind and loving
 Allow me to go through all this pain
 If I could see into the future
Then I would know the joy I'd gainBut how would I know You could deliver
 How would I know You could set free
 If there had never been a battle
 How would I know the victory
 How would I know You could be faithful
 To meet all of my needs
 Lord I appreciate the hard times
Otherwise how would I knowHow would I know that you could
 Make a way out of no way
 How would I know if I never had a need
 Brother, I know what you're goin' through
 Sister, I know 'cause I've been in your shoes
But I can truly say that I know what God can doHow would I know You could deliver
 How would I know You could set free
 If there had never been a battle
 How would I know the victory
 How would I know You could be faithful
 To meet all of my needs
 Lord I appreciate the hard times
 Otherwise how would I know
Otherwise how would I knowHow would I know You could set free
 How would I know You deliver me

How would I know You could make a way
How would I know You could meet my needs
How would I know
How would I know
I wouldn't have known
I wouldn't have known
