

Eddie (Full Length Original)

[Alex Lux](#)

2. eddie - (extended original version)*
...dedicated to my eddie

lost in thousand miles away
waiting for the rain
lost in a fire
inside my soul
wanting to get awayâ€!
watching the sky, watching the sky
holding back the painâ€!
watching the sky, watching the sky
â€˜til you came my way
awayâ€!
you make meâ€!
hypnotized, hypnotized
you make meâ€!
hypnotized, hypnotized
you make meâ€!
hypnotized, hypnotized
you make me feelâ€!you make me feelâ€!
you make me feelâ€! yes you make me feelâ€!
lost alone inside my head
fighting with myself
heaven knows how much i tried
to break my bonds with pain
watching the sky, watching the sky
holding back the painâ€!
watching the sky, watching the sky
â€˜til you came my way, my wayâ€!
you make me feelâ€!
hypnotized, hypnotized
you make meâ€!
hypnotized, hypnotized
you make meâ€!
hypnotized, hypnotized
you make me feelâ€!you make me feelâ€!you make me feelâ€!
wanna be with you tonight
ohâ€! so right
wanna be with you tonight

hold me tightâ€!
wanna be with you tonight
ohâ€! so right
wanna be with you tonight
hold me tightâ€!
you make meâ€! mmmâ€!
make me feelâ€! make me feelâ€! make me feel
