Savior, Please

Josh Wilson

Savior, please take my hand .
I work so hard, I live so fast.
This life begins, then it ends.
And then I do the best that I can,
But I don't know how long I'll last.

I try to be so tough,
But I'm just not strong enough.
I can't do this alone, God I need you
To hold on to me.
I try to be good enough,
But I'm nothing without your love.
Savior, please keep saving me.

Savior, please help me stand.
I fall so hard, I fade so fast.
Will you begin right where I end?
And be the God of all I am because you're all I have.

Hallelujah!
Everything you are to me
Is everything I'll ever need.
And I am learning to believe
Cause you're the one who's saving me.
