

Fight (Live Bootleg - Bercy Paris 12/87)

The Cure

Sometimes there's nothing to feel
Sometimes there's nothing to hold
Sometimes there's no time to run away
Sometimes you just feel so old
The times it hurts when you cry
The times it hurts just to breathe
And then it seems like there's no one left
And all you want is to sleep
Fight, fight, fight, just push it away
Fight, fight, fight, just push it until it breaks
Fight, fight, fight, don't cry at the pain
Fight, fight, fight, or watch yourself burn again
Fight, fight, fight, don't howl like a dog
Fight, fight, fight, just fill up the sky
Fight, fight, fight, fight till you drop
Fight, fight, fight, and never, never, never
Never, never, never stop, stop
Fight, fight, fight
Fight, fight, fight
Fight, fight, fight
So when the hurting starts
And when the nightmares begin
Remember you can fill up the sky
You don't have to give in
You don't have to give in
Never give in
Never give in
