

# Killing the Fly

## The Union Underground

I'm sitting in a magic chair  
Without Mary and I don't care  
So far, so good is what I hear  
Nothin' slows me down my dear  
Sucking on it what a shame  
Another, motherfucker drained  
That's what you get I warned you all  
Just add it up to my toll

I get a kick outta this  
Watch you ball like a bitch  
You'll get it you'll get it  
You'll get yours motherfucker ain't no lie

I want to break you  
Get off the rocket ride man  
I can't even fake it  
I'll say it again  
You're on a downward slide my friend

So I hear they call it killing the fly  
I can't hear it I might be blind  
That's what you get I warned you all  
Just add it up to my toll
