

# Set It Free

## Luke Metzler

If we got to keep  
Our minds clean

If we got to keep  
Our hearts under lock and key

Then how are we supposed to love each other  
With our bodies

If we can't let expression rein  
We can't open up our souls  
When we need to let them sing

How are we supposed to find another  
Let into our lives  
We can break

Set it free  
Set the love free

Oh set it free  
Oh set it free

If we get to keep every hair in place  
If we have to force ourselves to wear that perfect face

Then how are we supposed to find our most attractive flaws  
And relate

If we can't put it on the line  
When there's somebody you just can't get out of your mind  
Then how are we supposed to find a love so divine  
In our lives

Oh set it free  
Set the love free  
Oh set it freeeeee  
Oh set it free

Love, love, we got to find love

Love, love  
We're searchin for love, love  
I want to find love, love (x4)

Oh set it freee  
Set the love free  
Oh set it freeeeeeee  
Oh set it free (x2)
