

Spread Legs, Not Lies

The Blackout

I now see your disguise
I'm hiding from you
And all your lies
Are coming trueThe tales have now begun
I'm lying to you
And your serpents tongue
Is coming throughClose your eyes and swallow
Time is on your side
I will make you feel so hollow
Time is on your side
So lay down for me
Time is on your side
And feel so hollowI now see your disguise
I'm hiding from you
And all your lies
Are coming trueThe tales have now begun
I'm lying to you
And your serpents tongue
Is killing youEverybody knows that you're a liar
It is time to fight with fireGet downI'm telling the truth
Time is on your side
Time is on your side
Time is on your side
Time is on your sideTime is on your side
Time is on your side
Time is on your side
Time is on your side
