

# Givin' Up On You

Lara Fabian

Silence and quiet again in my life  
Far from these moments, I wish I was  
Passion and truth, we were about  
Before the shadows stole the beat of our hearts  
After all we have been through  
I can only look at you  
Through the eyes you lied to  
I'm givin' up, givin' up, I'm givin' up on you  
After all if there is no way out  
If you cannot stand beside me  
If there isn't love, there is only pride  
I'm givin' up, I'm givin' up this fight  
Undo this leash, well, you say I tied  
When only our fears are to blame this time  
And what am I to you? Just spit it out  
I'm not afraid of the words that you hide  
After all we have been through  
I can only look at you  
Through the eyes you lied to  
I'm givin' up, givin' up, I'm givin' up on you  
After all if there is no way out  
If you cannot stand beside me  
If there isn't love, there is only pride  
I'm givin' up, I'm givin' up this fight  
Where do we go? When did it all crash?  
When did it start to fall apart?  
Silence and quiet, passion, the truth  
Wish I was, I wish I was  
After all if there is no way out  
If you cannot stand beside me  
If there isn't love, there is only pride  
I'm givin' up, I'm givin' up this fight  
After all we have been through  
I can only look at you  
With the eyes you lied to  
I'm givin' up, givin' up, I'm givin' up on you  
After all if there is no way out  
If you cannot stand beside me  
If there isn't love, there is only pride

I'm givin' up, I'm givin' up this time  
Givin' up, givin' up this fight  
Givin' up, givin' up, givin' up  
Givin' up, givin' up this fight  
I'm givin' up, I'm givin' up tonight  
Givin' up, givin' up, I'm givin' up  
I'm givin' up, givin' up  
I'm givin' up this fight  
Givin' up, I'm givin' up
