Welcome To Medina

Medina

I'm naked for you just like a stripper
I'll take you any place you wanna see
Know it's right here in my hands
I'm gonna feed ya
I wanna feed you in your secret fantasies
Falling in a trance we're going deeper
So when you're touching yourself you're touching me
And you never tasted anything thats sweeter
Cus i'm everything you're wanna me to be
Cus I have just been waiting
I've been waiting
I've been waiting for you
I know that you are the real thing
My lovers are true
This is all
This is all
dedicated to you
Welcome to my World
So tell me are you waiting
are you waiting
Are you waiting for me?
I got a whole museum that I want you to see
Ain't no telling what could happen when you let it begin

I know you wanna come in
So Welcome to Medina
Now that your here, i gotta meet ya
I wanna know if you'll be my erotic thrill
Is it wrong for me to really wanna keep ya?
Can you take me like a pocket full of pills?
Cus I have just been waiting
I've been waiting
I've been waiting for you
I know that you are the real thing
My lovers are true
This is all
This is all
dedicated to you
Welcome to my World

So tell me are you waiting
Are you waiting
Are you waiting for me?
I got a whole museum that I want you to see
Ain't no telling what could happen when you let it begin
I know you wanna come in
So Welcome to Medina
