

# My Enemy

## Skid Row

Play the fence, one way you're gonna fall  
Sometimes I don't know who you are at all  
Your opinion is something that you've got inside  
But I see the loyalty has up and died Your skeletons, my skeletons  
Life is only getting shorter You can be my enemy and I don't care  
I keep throwin' stones at yourself Stories run in circles that have no end  
I hit on luck, then you bum me out again  
But there's a way that you keep the truth in check  
Scratch the surface and treat it like a broken neck Keep the peace when face to face with the scene  
I got a hunch that ain't what you really mean  
Weather's fair, does that change where you stand?  
My back is turned and the knife is in your hand Your genocide, my genocide  
Life is only getting shorter You can be my enemy and I don't care  
I keep throwin' stones at yourself  
And you can be my enemy, I don't care  
You try too hard, I can tell Your genocide, my genocide  
Life is only getting shorter You can be my enemy and I don't care  
I keep throwin' stones at yourself  
You can be my enemy, I don't care  
You try too hard, I can tell  
You can be my enemy and I don't care
