

He Loves Me All the Way

[Tammy Wynette](#)

Sometimes when he comes home, I'm cookin' breakfast
I haven't slept a wink all night long
I've been layin' in bed, thinkin' like a woman
Wonderin' if my man's been doin' me wrong
To think he might be out with another woman
Makes my temper rise with jealousy
But all these years, I've never caught him cheatin'
I guess he needs some time away from me
But when he loves me, he really loves me
There's nothin' left for me to say
Oh, when he loves me, he really loves me
He loved me all the way
I'm not ever gonna worry about tomorrow
As long as he makes everything alright today
I'd rather wonder a little and have his lovin'
'Cause when he loves me, he loves me all the way
When he loves me, he really loves me
There's nothin' left for me to say
Oh, when he loves me, he really loves me
He loved me all the way
I'm not ever gonna worry about tomorrow
As long as he makes everything alright today
I'd rather wonder a little and have his lovin'
'Cause when he loves me, he loves me all the way
'Cause when he loves me, he loves me all the way
