

Whoever You Are

My Brightest Diamond

Whoever you are, whoever you are,
Motion and reflection are especially for you. Whoever you are, whoever you are,
Motion and reflection are especially for you. The divine ship sails the divine sea for you, for you for you.
The divine ship sails the divine sea for you, for you for you. Whoever you are, whoever you are,
You are he or she for whom the earth is solid.
You are he or she for whom the earth is liquid. You are he or she for whom the sun and moon hang in the sky.
You are he or she for whom the sun and moon hang in the sky. For none more than you is immortality.
For none more than you is immortality. Whoever you are, whoever you are,
Motion and reflection are especially for you. Whoever you are, whoever you are,
Motion and reflection are especially for you. Motion and reflection are especially for you.
